Says in a voice that's smooth as silk, wanna . . . play with my toys?

Chorus  
Break (chorus structure)

I know she's a real big hit with the boys all in this town  
I see the girls turn green when she comes around  
I can tell in this whole town, she's a big to-do  
With those eyes 'a sparklin' blue, she'll make you love her too

Chorus  
Break (verse structure)

It's not her kind 'a way to be mean or criticize  
I tell you all of this so you'll realize  
She is the kind 'a gal to laugh and play games  
With your heart in her hands, you'll never be the same

Chorus

Oh, Amanda Monique, such a pretty lady and oh, so sheik  
Queen of a heart, so let the truth be told  
Even though you're only three years old  
I said, even though you're barely three years old
