G D F C G G6+sus4 G  
All I gotta do is be away from you for just a little while  
G D F C G G6+sus4 G  
And when I talk to you, the first thing that you do's give me a little smile  
F C G  
And it grows and it grows ever wider  
F C G  
And nobody knows such a delighter  
Bm C G  
You brighten my horizon when the clouds cover the sun  
Am C D9 C9 G  
And then the rainbows start arriving and I know that you're the one

F6+9 C9 G  
The one to keep me warm when the sun goes down  
F6+9 C9 G  
And sing me in the morning when there's not a sound  
Bm C G  
Huuu...ooh...ooh...ooh, you make it so much fun  
Am C D9 C9 G  
And then the rainbows start arriving and I know that you're the one

Break (verse and chorus structure)

And when I think of you, it makes me wanna do the very best I can  
And tell you how I feel, it feels so very real to be your loving man  
And I know how it goes to be so lonely  
Cause nobody knows their one and only  
And such a small percentage knows the best that they can do  
They're everywhere, don't seem to care, but they're so unlike you

You're one that blends with everything so easily  
And I love to feel the thank you's as your pleasing me  
Huuu...ooh...ooh...ooh, you make it so much fun  
And then the rainbows start arriving and I know that you're the one
